How we find and vet talent

- We seek out award winners & get referrals
- We conduct in-depth phone & zoom interviews
- We find creatives who have experience working with specific brands & media companies
- We carefully curate a diverse roster

Why we built this

As a producer I was always making suggestions & helping make new creative hires.

I wanted to create a platform that showcased all the best talent and help connect them with the great jobs.

What you can expect from us...

- Speed! Flexibility! Efficiency! Top Talent!
- Get instant introductions to new video teams & freelancers
- Enjoy quick turnarounds from our at-the-ready talent
- Increase your own team's productivity
- Creatives for all budget sizes

**CREATIVE
HUMANS**
